SUMMARY

As a Computer Science & Engineering undergraduate with a passion for learning, I possess a strong academic foundation, a drive for excellence, and a commitment to practical application. I am eager to leverage my academic achievements and technical skills to make a meaningful contribution in the technology industry.

EXPERIENCE

Internshala Student Partner
Internshala   **June 2023 -August 2023**
· Acted as a brand ambassador for Internshala on campus, promoting their services and opportunities to fellow students.
· Assisted students in navigating the Internshala platform, helping them find relevant internships and training programs.
· Utilized social media and other channels to promote Internshala events and initiatives.
· Demonstrated strong communication and interpersonal skills to engage with students and build a network on campus.
· Successfully achieved set targets for promoting Internshala services and increasing student engagement.

Salesforce Developer Intern
Salesforce   **May 2023 - July 2023**
· Implemented and configured Salesforce objects, workflows, processes, and reports.
· Designed and developed custom Apex classes, triggers, and Visualforce pages.
· Conducted testing and debugging of Salesforce code to ensure smooth functionality.
· Successfully delivered assigned projects, meeting project milestones and deadlines.

Web Development Intern
Cloudbrik Tech Solutions PVT LTD   **January 2023 - March 2023**
· Assisted in the development of responsive and user-friendly websites using HTML & CSS.
· Collaborated with the development team to implement new features and functionalities on existing websites.
· Participated in code reviews, providing feedback and suggestions to improve code quality.
· Contributed to the design and layout of web pages, focusing on creating intuitive user experiences.
· Successfully completed assigned projects within tight deadlines, demonstrating strong time management skills.
